God calls us to share our blessings selflessly to care for one another. Our true riches are found in following Jesus. When you serve and give up your time and energy for someone else, you get emotionally and spiritually recharged. It gives more meaning to your life as a servant of Christ. Serving allows us to experience the joy and peace that comes from obedience.

What does the Bible say about serving?

1 Peter 4:10-11 says, "Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms, so that in all things God may be praised through Jesus Christ."

Matthew 20:28 "Even as the Son of Man came not to be served but to serve, and to give his life as a ransom for many".

Mark 9:35 "And he sat down and called the twelve. And he said to them, "If anyone would be first, he must be last of all and servant of all."
